

Public Comment Instructions

While the law does not require Council to provide time for public comment, we have historically invited the public to make comments and we appreciate your input. This is a time when residents and others can comment on matters that concern them. However, we will not engage in a discussion or debate with you. We ask that when you come to the podium you speak into the microphone, that you clearly state your name and address and that you limit your comments to no more than 5 minutes. We would also appreciate not repeating comments that have already been made by others and once you have made your comments that you allow others to make their comments without further input. If you have specific questions of Council, those can be put in writing and emailed to the Council Clerk at_____.
